New Subdivision

The City-Parish Planning Commission met on Monday, March 22nd to discuss a new subdivision behind Pinebrook. The entrance to "Jefferson Woodlands" will be via Oliphant. We are happy to report that there are no plans to create a "cut through" road to Seigen. In addition, the builder will be installing an underground drainage system to address flooding concerns.

Get Involved!

JT6 needs active and interested homeowners to volunteer planting flowers in the front entrance. We also need someone to head the Landscape Committee, the Architectural Committee and more! Please call Neil Borel at 292-2309 if interested.

Our Annual Homeowners Meeting is May 11th at 7:00 p.m.
at the Cal Road BREC Center.
